Best of Chenango County WINTER SPORTS 2023-24

Many of our Chenango County high school sports teams and athletes have once again performed to an exceptional level during the 2023-2024 season.

A season ago The Evening Sun published a four-section special insert that promoted our star athletes and teams who either reached a major milestone, won a championship or broke a school record within that respective sport.

In April, we will once again profile the best athletes and teams our County has to offer with our 2023-2024 Best of Chenango County Winter Sports!

The special section will include large color photos of our star athletes and teams as well as detailed summaries explaining extraordinary achievements along with quotes from our athletes and coaches.

This type of sports coverage can only be found at The Evening Sun and we take great pride in presenting this once-a-year publication that summarizes the best our winter sports has to offer.

Deadline: April 3
Publication: April 18

CAR CARE

Keeping vehicles looking pristine requires care and diligent cleaning. So many day-to-day activities and environmental materials have the potential to damage the finish on cars and trucks. While winter weather and chemicals used to keep roadways passable are often blamed for affecting the appearance of cars and trucks, winter is not the only time of year when substances can cause damage to vehicles.

Tree sap

According to Cars.com, an automotive information resource and vehicle sales website, although tree sap won't cause immediate damage to vehicle paint, it should not be ignored. Over time, sap can become more difficult to remove, etch through the clear coat on the vehicle and cause discoloration. When the temperature is hot, damage from sap can accelerate. On windows and windshields, drivers may be able to gently remove dried sap with a razor blade. However, use cleaning products on more delicate paint. Automotive stores sell speciality sap and tar cleaners. Otherwise, you can try rubbing alcohol. It may take a few attempts to remove sap entirely.

Insects and bird droppings

Splattered bugs and avian surprises dropped from above can be a messy, unsightly nuisance. Their acidic composition also may cause them to damage paint over time. Bugs and droppings can be sticky, so you will need to work with something that will remove the splatter without removing the paint in the process. A product like WD-40 may help. This oily product is normally used on rust and hinges. When applied with a cloth and allowed to penetrate the stain, it can loosen difficult-to-remove sticky substances. Always test any product you use in an inconspicuous spot first to make sure it doesn't damage or discolor your the paint. Insects or droppings that are fresh may come off relatively easily with a good washing or hosing off of the car. Retailers also sell specialty insect sponges to remove bugs and other debris.

Houseplant Tip

It’s important to watch houseplants closely. According to gardenguides.com, an online gardening resource, you should inspect plants regularly for yellowing or discolored leaves. This condition is usually caused by overwatering, but can also be the result of insects. Deformed plants and sticky deposits on leaves and stems can be caused by insects as well.

LOOKING FOR AN AFFORDABLE USED CAR?

SICK OF BUYING rusty junk off of Craigslist and then spending more than you paid for it trying to get it functional or to pass inspection? At Central Auto Sales I take pride in buying quality cars that are still in excellent condition that can supply you with many miles of service in the future. I typically buy my cars from states south of NY to avoid the rust associated with local cars. I have a nice selection of cars in the affordable \$4-6K range, most are low miles or low miles for the age. I'm a lifetime resident of Norwich. Buy from someone local. No pressure, no fancy hype, just quality cars at fair prices! Central Auto Sales LLC, 429 Manley Road, Norwich. www.centralautosalesllc.com 607-336-6371.

NEED FINANCING? Bad credit ok, guaranteed credit approval. Reputable Auto Center, 5608 County Road 32, Norwich. 607-336-5914.
