MEDICARE REMINDER: Diabetes screenings and supplies
Coverage of diabetic supplies. Part B also covers certain diabetic supplies, including: Glucose monitors, Blood glucose test strips Lancet devices and lancets, Glucose control solutions. Most diabetic supplies are covered as durable medical equipment (DME), not as preventive services. To receive coverage, you must meet Medicare's eligibility requirements for DME.

Insulin

Part D may cover insulin and related medical supplies used to inject insulin (syringes, gauze, and alcohol swabs) if you have a prescription from your doctor. Your drug plan should cover medications and supplies you need to treat your diabetes at home as long as they are on the plan's formulary. As of January 2023, Part D-covered insulin copays are capped at \$35 per month, with no deductible. You should contact your Part D plan for information about its exact costs and coverage rules for insulin.

Medical supplies used to inject insulin (syringes, fillable pens, non-durable patch pumps like the Omnipod, gauzes, and alcohol swabs) can be covered by Part D with a prescription, as long as they are on the plan's formulary. This equipment is not subject to the \$35 per month cap and a deductible may apply. The \$35 cap applies to the insulin you put into these supplies.

If you use an insulin pump, the insulin and the pump may be covered under Part B as DME. Part B covers DME at 80% of the Medicare-approved amount, but as of July 2023, copays for Part B-covered insulin products are capped at \$35 per month, with no deductible. If you have questions about Part B's coverage of insulin and your insulin pump is covered by Medicare's DME benefit, call 1-800-MEDICARE.

Laughter Is Good For The Soul

- We all get heavier as we get older, because there is a lot more information in our heads, so I'm not fat, I'm just really intelligent and my head couldn't hold any more and it started filling up the rest of me. That's my story and I'm sticking to it!
- I did the math to see where I could go on vacation and according to budget I'm going to work.

CONSTANTINO FOR CONGRESS

- **STOP SOLAR FARMS**

My opponent has a massive solar farm on his land. I won't just talk about solar sprawl: I will put a stop to it. Chinese Solar Farms have no place in our country and in Upstate New York.

- **LOWER COSTS, REIGNITE THE ECONOMY**

As a CEO, I know how to cut wasteful spending and create real economic opportunity. I'll cut the red tape strangling our small businesses, farms and families, and make sure the Upstate NY is affordable again.

- **CELL SERVICE**

Big carriers collect billions of dollars while ignoring the Upstate NY. In Congress, I will cut through the excuses, and hold them accountable. and bring real infrastructure and investment to NY-21

- **RESTORE CONSTITUTIONAL RIGHTS**

Radical liberal politicians have been taking your Constitutional Rights. My opponent has been in office for over a decade and can't stop them. NY-21 needs somebody who will fight and win for your right to protect yourself from criminals, and from tyranny.

- **PROTECT THE NORTHERN BORDER**

I will stand with President Trump to secure both the northern and southern border. New York's radical Democrats won't cooperate, so we need a congressman who will.

- **SUPPORT PRESIDENT TRUMP**

As a Trump endorsed candidate, I will have the privilege of working directly with the president to bring real results to NY-21. The Upstate NY needs somebody who can go to Washington and FIGHT, FIGHT, FIGHT for us, not somebody who will go along to get along.

IMPORTANT DATES TO VOTE:

June 13 - June 21 Early Voting · June 23rd Election Day
