PUT LOCAL BUSINESSES AT THE TOP OF YOUR LIST!

WHY YOU SHOULD BUY IT HERE:

1. Shop Locally: The definition of local may mean different things to different people. We live in valleys of interconnected communities each needed in its own way to provide our families with the jobs, the goods, and the services essential to our quality of life.

2. Money Stays Local: Any shopping outside of our communities may mean job losses at local businesses. The payrolls generated from local businesses are extremely important to the health of this area. Payrolls are spent on local goods, services, property taxes, and on community events.

3. Community Support: When people from volunteer fire departments, school events, and benefits for community members in need come calling for donations, your local businesses have always been there.
