Schoharie County Office of Community Services requests proposals for projects utilizing Opioid Settlement Funds

March 2024 - Schoharie: The Schoharie County Office of Community Services is accepting Requests for Proposals (RFP) for Opioid Settlement Funding. Up to \$204,000 will be awarded to community-based organizations, non-for-profit agencies, and businesses to help address overdoses and substance-use disorders in the community through prevention, treatment and recovery services. Sarah Nies, Director of Community Services, said "she is excited to see what solutions can be found within the community around the opioid crisis in Schoharie County. This is an opportunity for the community to come together and come up with solutions for its residents." Nies added that this crisis impacts all of us. "Recovery is more than abstinence and symptom reduction," she said. "We need to be about people, place, and purpose in recovery."

Justin Hamm, Executive Director at Schoharie County Council on Alcoholism and Substance Abuse (SCCASA), also emphasized his support. "In order for Schoharie County to continue to combat the opioid crisis there needs to be a continued collaborative approach between prevention education, treatment, and recovery services. These dollars will help us fill in the gaps in services along the continuum of care," Hamm said.

The RFP is available for review and applications will be accepted on a rolling basis, with evaluation of proposals to be completed by the committee as applications are submitted. Once selected, the successful applicants will then be presented to the Schoharie County Board of Supervisors for contracts. Applicants will be asked to target at least 1 of the approved uses from the "Schedule C Approved Uses" document that can be found on the county website along with the RFP. Additionally, work for the award must be completed in Schoharie County. ➡

Tax & Finance

IRS Wants You to Know About Schemes, Scams and Cons

"If it sounds too good to be true, it probably is!" Don't become a victim to any scheme that offers instant wealth or exemption from your obligation as a United States citizen to file tax returns and/or pay taxes. Some of these schemes can literally cost you your life savings. Others can result in your prosecution and imprisonment if you knowingly participate in them.

Abusive Return Preparer
Taxpayers should be very careful when choosing a tax preparer. While most preparers provide excellent service to their clients, a few unscrupulous return preparers file false and fraudulent tax returns and ultimately defraud their clients. It is important to know that even if someone else prepares your return, you are ultimately responsible for all the information on the tax return.

Abusive Tax Schemes
Abusive tax scheme originally took the structure of fraudulent domestic and foreign trust arrangements. However, these schemes have evolved into sophisticated arrangements to give the appearance that taxpayers are not in control of their money. However, the taxpayers receive their funds through debit/credit cards or fictitious loans. These schemes often involve offshore banking and sometimes establish scam corporations or entities.

Nonfiler Enforcement
There have always been individuals who, for a variety of reasons, argue taxes are voluntary or illegal. The courts have repeatedly rejected their arguments as frivolous and routinely impose financial penalties for raising such frivolous arguments. Take the time to learn the truth about frivolous tax arguments.

All Program and Emphasis Areas for Criminal Investigation
Criminal Investigation has categorized their investigative cases into specific program and emphasis areas of fraud.

Tax Scams — How to Report Them
To help the public recognize and avoid abusive tax schemes, the IRS offers an abundance of educational materials. Participating in an illegal scheme to avoid paying taxes can result in imprisonment and fines, as well as the repayment of taxes owed with penalties and interest. Education is the best way to avoid the pitfalls of these "too good to be true" tax scams.

Extra Help is a federal program that helps pay for some of most of the out-of-pocket costs of Medicare prescription drug coverage. It is also known as the Part D Low-Income Subsidy (LIS).
Extra Help Eligibility: If your monthly income is below \$1,903 in 2024 (\$2,575 for couples) and your assets are below \$17,220 (\$34,360 for couples), you may be eligible for Extra Help. The Extra Help program (also called the Part D Low-Income Subsidy) offers the following benefits:
 • Pays for your Part D premium up to a state-specific benchmark amount.
 • Lowers the cost of your prescription drugs.
 • Gives you a Special Enrollment Period (SEP) once per calendar quarter during the first nine months of the year to enroll in a Part D plan or to switch between plans.
 • Eliminates any Part D late enrollment penalty you may have incurred if you delayed Part D enrollment.
 If you are enrolled in Medicaid, Supplemental Security Income (SSI), or a Medicare Savings Program (MSP), you automatically qualify for Extra Help regardless of whether you meet Extra Help's eligibility requirements.

It is also a crime to offer or agree to sell a firearm, rifle or shotgun at a Gun Show and then transfer it at another location for the purpose of avoiding a National Instant Criminal Background Check.
