Maple Magic Weekend Celebration at Rogers Center

Spring is on the way, and maple season is here! The final two weekends in March have been designated as New York State Maple Weekends, where the public can get a firsthand look into local operations and learn about the seasonal process of maple sugaring.

The beloved Upstate NY tradition of making maple syrup will be highlighted this year at Rogers Environmental Education Center during their Maple Magic Weekend Celebration at the end of March. The event will be led by Friends of Rogers staff, as well as three students from Colgate University who are volunteering this season to support burgeoning Maple Magic programs at Rogers Center.

The Chenango County Historical Society will also provide information on the rich history of maple sugaring in CNY, and details about the Maple Sugar Heritage Collaboration that brought the Sugarshack to Rogers Center. The Sugarshack opened for operation in February of 2025 during Winter Living Celebration. This will be the inaugural Maple Weekend event at Rogers Center.

"It has been sap-tacular getting to work with Rogers this season! We hope other people will come out to support and spend some quality time at the Sugarshack. We can't wait to see you there!" said Simon Romano, a Colgate student volunteer from Arlington, Virginia.

This year's Maple Magic Weekend Celebration will be in Sherburne on Saturday, March 28 and Sunday, March 29, and will run from 12PM-3PM on both days. The evaporator will be bubbling and boiling in the Sugarshack, which will be open for delicious syrup samples and educational demonstrations of the Indigenous and colonial methods of maple sugaring. The event will also feature live acoustic music with traditional maple folk songs.

"The Sugarshack building and operation has been collaborative with so many community partners like the Chenango County Historical Society, DCMO Boces, the DEC, and Clear Path for Veterans," said Ariah Mitchell, Educator and Communications Lead for Friends of Rogers. "We're thankful to have volunteers to help lead events where the community that helped us build this program can be truly involved in the beloved art of making maple syrup."

Rogers Center is one of New York State Department of Environmental Conservation's (DEC) four environmental education centers. Rogers Center is located at 2721 state highway 80, Sherburne NY, 13460. ➔

"Homes don't sell for top dollar by accident. They sell because of how they're presented."

**Before you hire an agent, ask this:
Is your home going to be strategically marketed-- or just put on the MLS and hoped for the best?**

I work with sellers who want:

- Professional photography that attracts serious buyers
- Strong online presentation, including virtual tours
- Smart pricing based on strategy, not emotion
- Clear communication from prep to closing

Your home is one of your biggest assets. It deserves more than a sign in the yard.

TAX GUIDE

The Independent Office of Appeals (Appeals) may be the place for you if all the following apply:

- You received a letter from the IRS explaining your right to appeal the IRS's decision
- You do not agree with the IRS's decision
- You are not signing an agreement form sent to you

If all of the above are true, then you may be ready to request an Appeals conference or hearing.

To decide if you should appeal your tax dispute, consider the following. If you believe the:

- IRS made an incorrect decision based on a misinterpretation of the law, check the publications discussing your issue(s)
- IRS didn't properly apply the law due to a misunderstanding of the facts, be prepared to clarify and support your position
- IRS is taking inappropriate collection action against you or your offer in compromise was denied and you disagree with that decision, be prepared to clarify and support your position

- Facts used by the IRS are incorrect, then you should have organized records or other evidence to support your position

In addition to the ordinary appeal process, we offer mediation programs that can more quickly resolve disputed issues.

Appeals isn't for you if any of the following apply:

- The correspondence you received from the IRS was a bill and there was no mention of an appeal
 - You didn't provide all information to support your position to the examiner during the audit
 - Your only concern is that you can't afford to pay the amount you owe
- If you don't meet the conditions above for having your case enter the Appeals process, contact the IRS employee you have been working with or call for assistance in identifying the correct IRS employee to contact.
