Professional Driver Daniel Dye will pilot the No. 10 Chevrolet featuring the Race to Stop Suicide Campaign.

At the Mission 200 at the Glen NASCAR race, professional driver Daniel Dye will pilot the No. 10 Chevrolet featuring the Race to Stop Suicide campaign. We are proud to announce that the Madison County Rural Health Council (MCRHC) will be represented on the rear bumper (TV panel) of the car—highlighting our commitment to mental health education and suicide prevention.

In 2018, Daniel and his father Randy Dye established the organization called Race to Stop Suicide an initiative with the goals to normalize the conversation surrounding mental health and suicide, educate people on what to look for/symptoms of those at risk, and to make sure those in need have access to resources.

You can read more about Daniel Dye and his story at <https://www.danieldyerracing.com/>

This national platform comes at a critical time, as MCRHC has trained more than 5,000 adults and teens in Mental Health First Aid (MHFA) since implementing the program in 2022. These evidence-based trainings equip individuals, schools, workplaces, and community groups with the tools needed to recognize and respond to mental health and substance use challenges—promoting early intervention and saving lives. ➡

32nd Chenango Blues Fest Kicks Off

Norwich, N. Y. – (August 12, 2025) – It's been a great summer of music in Norwich, NY and it's about to get even better. The 32nd Chenango Blues Festival is this weekend with fourteen bands culminating in four-time Grammy winners Los Lobos headlining on Saturday.

Tickets are available online or at the gate and organizers look forward to welcoming fans from throughout the northeast and beyond to their award-winning event. There are still a few RV sites available and plenty of tent camping in the shade – both great ways to be right on the grounds and close to the action.

The unofficial start of the weekend begins at 6:00 P.M. on Thursday, August 14th with a performance by harmonica ace Brandin Santini. He will be followed by double 2025 Blues Music Award winner Sue Foley. Sue won both Traditional Female Artist of the Year and Acoustic Album of the Year so the weekend is starting off with blues royalty.

On Friday the action moves to the Chenango County Fairgrounds with the 2024 Band of the Year winner, the Nick Moss Band headlining the evening. Misty Blues will make for an impressive start to the evening and Jimmy Hall, of Wet Willie and Jeff Beck fame, will keep things rocking.

Saturday, August 16th will be anchored by Los Lobos. Celebrating fifty years of genre defying music with an all-original lineup, Los Lobos gathers their influences from across the musical spectrum. From blues to Tex-Mex to rock-n-roll – it's all there. Preceding them on the Infield Stage are Joanne Shaw Taylor, DK Harrell and Kenny "Blues Boss" Wayne. The Tent Stage is similarly stacked with blues rocker Ally Venable, gospel icons The Legendary Ingramettes, supergroup DeSoto Tigers Testimony and Chris Thomas King. The days action kicks off at a new early start time of 11:00 A.M. with Tom Townsleys tribute to Chess Records with Jess Sheldon taking a guest turn. Don't miss your chance to enjoy the musical highlight of the summer. The Chenango Blues Festival has a "By Fans, For Fans" vibe, it's family friendly and there are great food and craft vendors on site. Information on the festival can be found on the groups' website at www.chenangobluesfest.org

The Chenango Blues Association, organizers of the event, would like to acknowledge and thank the many donors who make this great summer community event possible. Organized and run completely by volunteers, the whole weekend depends on donors like NBT Bank, Laral Management, Christi Larsen, Preferred Mutual Insurance Co, Rental To Go, Flanagan Law Office/Grouse Ridge Realty, Walking Ridge Development, BrightPet Sherburne, Kerry Inc, New York Central Mutual, Norwich Rehabilitation & Nursing, Oliver's Campers, Raymond Foundation, BuildBlock CNY LLC, Joanne & Dale Isbell, and Pennysaver/Evening Sun. Other very valuable support is provided by Blarney Stone, Casella Waste Management, Adsit Septic & Excavation, Assemblyman Joe Angelino, Bosworth Family Trust, Trip & Missy DeCordova, Mirabito Energy Products, Norwich Beverage, Norwich Tire, Norwich Wealth Management LLC, Refabulous, Rita's Tavern and Dan Tracey and over forty-five other donors. ➡

BUYING A CAR?

We urge you to buy from a dealer you know!

During the year auto dealers from outside our communities set up what we call “Off Site Tent Sales”. You know, the kind with the big tent, in a parking lot of a local shopping center, promising big prizes, and used cars offered at unbelievable prices.

Before you make a purchase at one of these events our family of publications urge you to consider the following.

LET THE BUYER BEWARE!

- 1. Prizes:** A big prize is always offered but have you ever seen or heard of a winner?
- 2. Pricing:** Is the price of the vehicles shown right on the car? Or is the price determined after they do a credit check? Guidelines established by the NYS Attorney General states that all vehicle sale prices and mileage must be clearly stated on the vehicle you are considering.
- 3. Bring it where?** “Free Oil Changes for Life” is a great promotion, one that’s offered by several of our local dealers. But does the “Free Oil Change for Life” offer make any sense when you have to travel 4 hours to get the work done?
- 4. High Pressure Sales:** The sales people you will encounter at these “Off Site Tent Sales” are extremely skilled and many travel all over the country doing just these types of events. This is a very high pressure sales environment where an unsuspecting customer will find it extremely difficult to just walk away. Remember this sales person may sell more cars in one day than you will buy in a lifetime.
- 5. Cooling Off Period:** Did you know that there is a 72 hour cooling off period? For any “Off Site Sale” guidelines established by the NYS Attorney General call for a 72 hour cooling off period where a consumer may void their purchase agreement. In short, after a closer inspection of the vehicle and the terms of purchase, you have up to three days to bring the vehicle back for a complete refund. Of course, that may not be easy when you don’t know how to find the people who sold you the car and if you do find them be prepared for the tremendous pressure put on you to keep the car or take another.
- 6. Warranty:** Many of the vehicles sold may require some sort of serious warranty work to be performed. Local dealers do an excellent job of providing quality service work to their customers. But if you are not one of their customers there should be no expectation that a local dealership will perform this work. You may have to drive your car, or have it towed, to the dealership that sold you the car.

WHY YOU SHOULD BUY IT HERE!

- 1. Shop Locally:** We have always urged our readers to shop locally and we understand that the definition of local may mean different things to different people. We live in valleys of interconnected communities each needed in it’s own way to provide our families with the jobs, the goods, and the services essential to our quality of life
- 2. Paying Taxes:** When a “Tent Sale” operation comes into town they pay a lot fee to the Shopping Center. They do not pay any real estate taxes within the local community and it is these taxes that pay for our schools, roads, fire departments, and community safety nets.
- 3. Profits:** Profits made at these “Off Site Sales” go outside our communities and do not help our local business economy.
- 4. Payrolls:** Any vehicles sold outside of our communities may mean job losses at local dealerships. The payrolls generated from local businesses are extremely important to the health of this area. Payrolls are spent on local goods, services, property taxes, and on community events.
- 5. Donations:** When people from volunteer fire departments, prom events, and benefits for community members in need come calling for donations, your local dealerships have always been there.

Along with our local automotive dealerships we are very proud to be a part of your community and urge all of our readers to “Buy it Here”. It’s good for all of us.

LOOKING FOR AN AFFORDABLE USED CAR?

SICK OF BUYING rusty junk off of an individual or online and then spending more than you paid for it trying to get it functional or to pass inspection? At Central Auto Sales I take pride in buying quality cars that are still in excellent condition that can supply you with many miles of service in the future. No pressure, no fancy hype, just quality cars at fair prices! Central Auto Sales LLC, 429 Manley Road, Norwich. www.centralautosalesllc.com 607-336-6371.
