Bring on the JOY

PUT LOCAL BUSINESSES AT THE TOP OF YOUR LIST!

WHY YOU SHOULD BUY IT HERE:

- 1. Shop Locally:** The definition of local may mean different things to different people. We live in valleys of interconnected communities each needed in its own way to provide our families with the jobs, the goods, and the services essential to our quality of life.
- 2. Money Stays Local:** Any shopping outside of our communities may mean job losses at local businesses. The payrolls generated from local businesses are extremely important to the health of this area. Payrolls are spent on local goods, services, property taxes, and on community events.
- 3. Community Support:** When people from volunteer fire departments, school events, and benefits for community members in need come calling for donations, your local businesses have always been there.

**5 fun gift
exchange ideas**

Gift-giving is a significant component of the holiday season. Families can embrace traditional gift-giving, but those who want to add a touch of whimsy to gatherings with loved ones can consider these five creative and fun ways to exchange gifts.

- 1. Play the plastic wrap game.** To exchange small stocking stuffer gifts, compile gift cards, cash, small toys, candy, and even some larger gifts (all participants can chip in and one person shops for the gifts). The designated person in charge begins rolling up the gifts in the plastic, adding one every few rolls. Turning the ball 90 degrees while wrapping helps make a more round, finished gift ball. To play, the person with the ball puts on oven mitts and tries to unwrap as much as they can to access the gifts, while the person to the left is attempting to roll doubles on dice. When doubles are made, that person passes the dice to the left and starts his or her own attempts to get at the gifts in the plastic ball. The game ends when all the gifts are revealed, whether everyone has had a chance to unwrap or not.
- 2. Plan a white elephant gift exchange.** A white elephant exchange is like a secret grab bag. Everyone brings a wrapped gift, and then takes turns choosing a gift based on the number they've been given. When the gift is chosen, the person opens it. The next player can select a fresh gift or steal one of the presents that's already been opened.
- 3. Host a make-and-take craft party.** With this type of exchange, participants will engage in some form of crafting for the duration of the event, whether it's pottery, painting, epoxy resin pouring, or even knit crafts. At the end of the night everyone can swap their creations with another or keep their own crafts as gifts.

HOLIDAY GIFT GUIDE

4. Give the gift of a group outing. Instead of exchanging material gifts, focus on sharing experiences with friends and family. A trip to watch a sports game or a theater performance can be an excellent way to spend time together, and something a person may not be inclined to do on his or her own. Certain venues will offer discounts on group tickets, so everyone can pool their resources.

5. Host a DIY cookie and cocoa exchange. Cookies, cocoa and the holidays are a perfect combination. A gift exchange where participants supply ingredients for these sweet treats, share their favorite recipes and then put together the finished products can make for an entertaining and festive afternoon. Each person can fill a cookie tin with baked cookies to take home and mason jars filled with homemade hot cocoa mix and marshmallows can be an additional gift to enjoy later on a chilly evening. There are plenty of fun ways to exchange gifts during the holiday season. GG249266
