Bring On the JOY

PUT LOCAL BUSINESSES AT THE TOP OF YOUR LIST!

WHY YOU SHOULD BUY IT HERE:

1. Shop Locally: The definition of local may mean different things to different people. We live in valleys of interconnected communities each needed in its own way to provide our families with the jobs, the goods, and the services essential to our quality of life.

2. Money Stays Local: Any shopping outside of our communities may mean job losses at local businesses. The payrolls generated from local businesses are extremely important to the health of this area. Payrolls are spent on local goods, services, property taxes, and on community events.

3. Community Support: When people from volunteer fire departments, school events, and benefits for community members in need come calling for donations, your local businesses have always been there.

Obituary for Roger Keck Grant

Roger Keck Grant died on September 29, at Riviera Palms Rehab Facility, Palmetto FL. He was born in Greenville, PA and was 83 at the time of death.

He attended Greene Central School, Greene, NY until he entered the Air Force in 1960. After serving his duty in the Air Force stationed in Whichita, KS he returned to his hometown of Greene. From there he moved to Myakka City, FL to be near his mother Laura Grant, and family. Roger worked for years at Commercial Carrier as dispatcher then as Road Ranger for the state.

He is predeceased by his parents, Laura and Paul Grant, sister, Pauline Brooks (Greene, NY), brothers, John Grant (Myakka City, FL), Richard Grant (Greene, NY), Jim Grant (Myakka City, FL), Harold Grant (Kirkwood, NY), Herschel Grant (Chenango Forks, NY) and nephew, Scott Grant (Myakka City, FL).

He is survived by his twin brother, Robert Grant, Myakka City, FL and sister, Nancy Tilley, Chenango Forks, NY, and many nieces and nephews, both in NY and FL.

We will have a Memorial Service following burial at New Zion Church on November 22, 2025 from 1:00-3:00 pm at the New Zion Church Fellowship Hall. All are invited.

South Broad Street Park Reopens

Norwich, N. Y. – (November 14, 2025) After a year of planning and fundraising and a summer and fall of construction work the South Broad Street Park is again open to the public. While the park is privately owned by the Norwich Cemetery Association it has been generously made available to the public for almost a century by an agreement with the City of Norwich.

The renovated park includes a new, larger pavilion and two wide walking paths that have extensions providing sitting areas with creek views. Access to the park has been improved with a relocated and expanded parking lot and security features include a 360° view camera tied to the police department and a blue light station.

Additional features include new benches, landscaping improvements and decorative fencing. Also included is a kinetic sculpture designed by California artist Jeffrey Laudenslager who crafted it for its central location in the park.

Of special significance is this project was entirely underwritten by generous donations from the Fred and Ramona Mirabito Foundation, the Higley Foundation, Greater Norwich Foundation, R. C. Smith Foundation, Follett Foundation and Norwich Building Tomorrow Foundation. There were no taxpayer dollars used. The project sponsors would like to express their deepest appreciation to these local foundations for their vision, generosity and commitment to our community.

A project of this magnitude takes a team to implement and special thanks need to be extended to those involved without whom it would not have been successful. The Norwich Cemetery Association should be credited for embracing this community improvement opportunity and for making the land available to the public. LaBella Engineering was instrumental in providing guidance and design services and organizers are particularly grateful for the many extra hours of volunteer time Mike Flanagan devoted to construction management. Burrell's Excavating was the lead contractor and a great partner in executing the work and as foreman Adam Monroe took both a professional and personal interest in ensuring that everyone did their job well.

Organizers would also like to extend their appreciation to the City of Norwich for their cooperation and for their ongoing maintenance of the park. They are also grateful to the neighboring property owners for their understanding and support during construction. ➡

Easements Relating to the Village of New Berlin Potable Water Project

Design work continues on the Village of New Berlin’s drinking water infrastructure upgrade. The Design and project management engineering firm, Barton & Loguidice, has divided the design work into two portions: 1) Water treatment and storage, and 2) water-main replacement and distribution network upgrades. Monthly public workshops conducted over the last several months have brought both design tracks to the 60-percent point.

Construction on this project is scheduled to start in mid- 2026 and run through the late summer of 2027. Most of the new distribution/water mains will not be buried directly under the Village street or State Highway (Rt. 8/Main St.), but rather in the area adjacent to the roadway: Such alignment results in the following benefits: 1) minimized personal inconvenience and closure periods/travel disruption, 2) reduced likelihood for and disruption from future repairs, or 2) avoidance of other existing above and below ground utilities.

For a limited number of properties, the work area will exceed the legally-acknowledged definition of Right of Way and include the strip of a property owner’s land between the interior (house-side) lie of the sidewalk and the roadway curb/shoulder. Disruption in the impacted areas will be minimized and any temporary changes to the work area will be fully restored.

Residents whose properties may be impacted during construction are being asked to grant either a permanent and/or temporary easement. Granting the requested easement will allow the Village and the hired contractors access to this specific area of their property for purposes of construction and subsequent maintenance needs. While the requested area may be disturbed during construction and future maintenance activities, the area will be restored to its pre-existing condition following the completion of the work.

Many property owners who previously a request for such an easement have already signed and submitted a notarized version of their easement.

Those potentially impacted property owners who have not completed the process outlined above will be receiving another notice and easement document from the lead project engineer, Barton & Loguidice. The Village of New Berlin Board of Trustees requests that upon receipt of this second mailing, residents and businesses 1) return the completed and notarized easement to the Village of New Berlin Office (13 South Main Street) or 2) mail them to Barton & Loguidice, 443 Electronics Parkway, Liverpool, NY 13088.

To facilitate the easement approval process, an open meeting will be held on Wednesday, November 19th from 5:30-7:30 PM at the Chobani Community Center, 75 S Main St, New Berlin, NY 13411. At this meeting, Barton and Loguidice engineers will be available to address property owners’ questions/concerns regarding their particular easement. A free notary service will also be available to complete the legal execution of the easements. Property owners are asked to bring a driver’s license or other form of photo identification to execute the notarization process.

The Board of Trustees of the Village of New Berlin and Barton and Loguidice thank the residents and property owners within the Village for their continued cooperation and support in this effort to improve the water flows and quality for generations to come. Further questions should be addressed to the Village of New Berlin Village Office (607-847-6389; e-mail vgnewberlin@stny.rr.gov) or the Barton & Loguidice project engineer (Lauren Howard) directly at 315-378-8546.

CHENTAC CHENANGO THREAT ADVISORY COMMITTEE

HELP KEEP OUR COMMUNITY SAFE! SEE SOMETHING, SAY SOMETHING.

The formation of CHENTAC was established due to the ever-changing risks of targeted violence and mass shootings that society faces today. CHENTAC takes effective proactive and protective measures that are designed to prevent-not predict potential acts of targeted violence and terrorism. Through identifying and managing potential threats, CHENTAC provides alternative to investigation and/or prosecution for bystanders who are actively seeking intervention assistance with a known individual at risk of mobilizing to violence.

YOU’RE ROLE IS IMPORTANT!

CHENTAC is relying on you, our biggest asset to help identify potential threats. If you become aware of someone exhibiting concerning behaviors, or threatens a person, group or entity, we are available to help.

LOOKING FOR AN AFFORDABLE USED CAR?
SICK OF BUYING rusty junk off of an individual or online and then spending more than you paid for it trying to get it functional or to pass inspection? At Central Auto Sales I take pride in buying quality cars that are still in excellent condition that can supply you with many miles of service in the future. I typically buy my cars from states south of NY to avoid the rust associated with local cars. I have a nice selection of cars in the affordable \$4-6K range, most are low miles or low miles for the age. I'm a lifetime resident of Norwich. Buy from someone local. No pressure, no fancy hype, just quality cars at fair prices! Central Auto Sales LLC, 429 Manley Road, Norwich. www.centralautosalesllc.com 607-336-6371.
