Sidney Federal Credit Union Donates \$20,000 to United Way Mid Rural NY to Support Children's Oral Health

Sidney, NY (June 10, 2026) — SFCU has recently presented a \$20,000 donation to the **United Way Mid Rural NY**, supporting efforts to improve access to dental care for children across Chenango, Delaware, Otsego, and Madison counties.

This marks the first contribution in the Food and Basic Needs focus of SFCU's *Why SFCU? 1 Million Reasons* Community Support Initiative.

The funding will provide dental kits and oral hygiene education to approximately 16,000 school-aged children throughout the region. Each kit includes essential items such as toothbrushes and toothpaste, along with educational materials to help students build healthy habits early on.

Access to dental care remains a significant challenge in many rural communities, where provider shortages and transportation barriers can make routine care difficult to obtain. The Regional Dental Task Force was created to address these gaps by delivering resources directly to schools and families.

"For many families in our area, access to basic health resources like dental care isn't always guaranteed," said **Jim Reynolds, President and CEO of Sidney Federal Credit Union**. "This initiative ensures that thousands of local children have the tools and education they need to stay healthy, and we're proud to support that effort."

The impact of the program is expected to reach children across the four-county region, helping reduce preventable dental issues while reinforcing the importance of daily oral hygiene.

"This support allows us to significantly expand our reach in communities that need it most," said **Elizabeth Monaco, President & CEO of United Way Mid Rural NY**. "By providing both supplies and education, we're helping children build healthy habits that can last a lifetime."

As SFCU continues to invest in the communities it serves, this donation reflects a broader commitment to addressing essential, everyday needs, from access to care to long-term well-being.

The *Why SFCU? 1 Million Reasons* initiative is a \$1 million commitment focused on strengthening local communities through partnerships with organizations that provide critical services and support. Learn more about the initiative or get involved by visiting: <https://sfcuonline.org/1millionreasons/>

Norwich Business Improvement District - DRI Public Art Project

In 2022, the Development Chenango Corporation (Commerce Chenango) was awarded \$600,000 for a Downtown small project grant fund—of which \$350,000 was spent supporting property owners' renovations. The remaining funds, supplemented with additional funding from the Friends of the Park and generous local foundations, has been allocated to public art for Downtown Norwich.

The DRI Public Art Fund Committee and Commerce Chenango are gearing up to begin this project, starting with the launch of a request for artist qualifications next week. A group of finalists from the RFQ submissions will be asked to produce formal design proposals. Final artwork proposals will be selected in the fall following public and stakeholder feedback, with installation planned for spring 2027.

Awarded artists will design and install *five sculptures and one mural* in the below locations.

- Sculpture #1: At the entrance to 47 S. Broad Street from the sidewalk.
- Sculpture #2: In the sidewalk bump-out on the west side of S. Broad Street at American Ave.
- Sculpture #3: On the sidewalk on the east side of S. Broad Street at American Ave.
- Sculpture #4: In the northeast corner of West Park.
- Sculpture #5: In a new linear park being created along E. Park Place in the curbside area.
- Mural: On the west facing wall of the Commerce Chenango building.

The BID is very much looking forward to what this project will bring to Downtown Norwich, and we'll keep you posted as it progresses. ➡

AMERICA 250

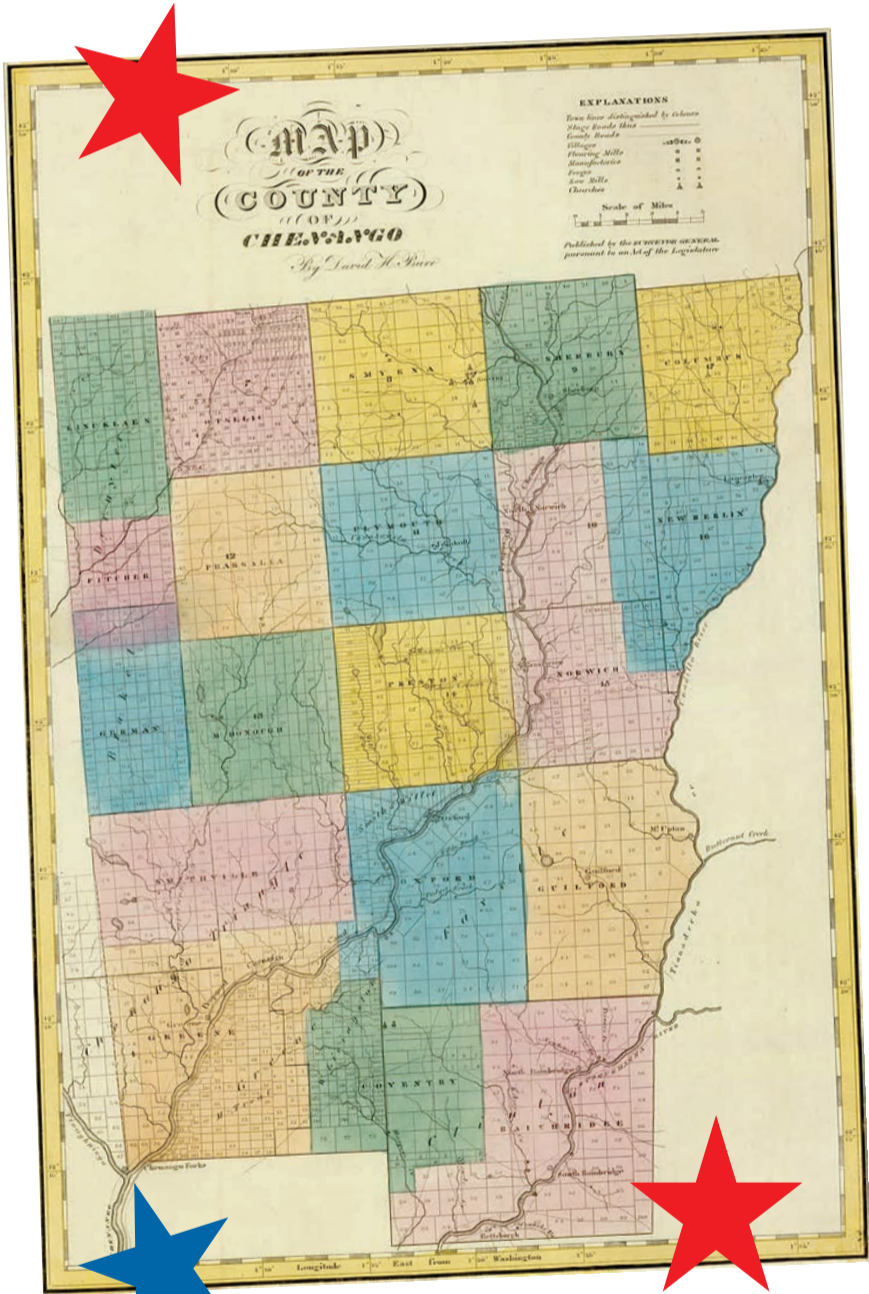

A FOUNDING REFLECTION OF CHENANGO COUNTY

The Evening Sun will mark the America's 250th anniversary with a special edition, A Founding Reflection of Chenango County, walking through the towns where we live, who built our communities, who stayed, and what worked.

For the 4th of July, 2026, The Evening Sun is reviving our founding stories. When each town was settled, where the names came from, who put them on the map, and the strange facts and tall-tale stories that came with them.

In 2026 America celebrates our 250th anniversary. The communities of Chenango County were founded in those early decades, for example Afton was Clinton, then Jericho, then South Bainbridge before it took its name in 1857 from a Robert Burns poem. This edition takes the anniversary as the occasion to look back at where our towns came from, what shaped them, and what is worth remembering.
