Did You Know? ... You can't move or touch William Shakespeare's bones. William Shakespeare's legacy doesn't stop at his plays and how many words he created – but even in the afterlife, he leaves a lasting display of his wit. Buried in 1616, the playwright was said to write his tombstone inscription which reads: “Good friend, for Jesus' sake forebears, To dig the dust enclosed here; Bleste be the man that spares the stones, And curst be he that moves my bones.”

Thought For The Week.... “You have power over your mind, not outside events. Realize this, and you will find strength.” – Marcus Aurelius.
