# RED LIGHTS MEAN STOP!

### DID YOU KNOW:

An estimated 50,000 motor vehicles illegally pass New York State school buses every day.

### THE LAW SAYS:

- It is illegal - and very dangerous - to pass a stopped school bus when the large red lights located on top of the bus are flashing. Flashing lights mean the bus is picking up or discharging students.
- You must stop whether you are approaching the school bus from the front or overtaking it from the rear.
- You must always stop for flashing red lights, even on divided and multilane highways and on school grounds.
- The first-time fine for illegally passing a school bus is a \$250 to \$400 fine, 5 points on your license, and/or possibly 30 days in jail.
- Worse yet, the memory of hitting or killing a child may be one you carry for the rest of your life!

**Yellow lights mean the bus is going to stop. Slow down!**  
**Red lights mean students are getting on or off the bus.**
