**MEDICARE REMINDER: Comparing Medigap options**  
Insurance companies may offer up to 10 different Medigap policies labeled A, B, C, D, F, G, K, L, M and N. Each lettered policy is standardized. This means that all policies labeled with the same letter have the same benefits, no matter which company provides them or their price. For example, Medigap policy A offered by company 1 provides exactly the same benefits as Medigap policy A offered by company 2. Companies are not required to offer all 10 standardized Medigap policies, meaning some may be unavailable in your state.

Note that Minnesota, Massachusetts, and Wisconsin have different ways of standardizing Medigap policies. If you live in one of these states, please contact your, State Health Insurance Assistance Program (SHIP) or State Department of Insurance for more information on purchasing a Medigap policy.

Medigaps help pay certain Medicare costs, including deductibles, coinsurance, and copays. Medigaps do not help pay for Medicare premiums.

**All policies must offer the following basic benefits:**

- Hospital coinsurance coverage
- 365 additional days of full hospital coverage
- Full or partial coverage for the 20% coinsurance for provider charges and other Part B services
- Full or partial coverage for the first three pints of blood you need each year
- Hospice coinsurance for drugs and respite care

**Laughter Is Good For The Soul**

- Why do we say "sleep like a baby"? Babies wake up every two hours screaming. I want to sleep like a cat in a sunbeam who owes no one rent.
- I told my plants a joke... now they're rooted in laughter.
