**Summer Programs in the Otselic River Valley**

The Otselic Valley Fishing & Heritage Association (OVF&HA) is pleased to announce four special programs this summer. Admission is free.

The first one is scheduled for July 13th at the Cincinnatus Area Heritage Society’s Heritage Hall on State Hwy 26. Starting at 1pm, the 2-hour concert features nationally acclaimed guitarist Loren Barrigar and his son LJ. By the time he was six, Loren performed in front of thousands of country music fans at the Grand Ole Opry in Nashville. He went on to study with Jimmy Atkins (Chet’s brother) which led to a touring career with his family band from Nashville to Las Vegas. Since settling down in Central New York, he has been in constant demand as a studio musician. This project is funded by Earlville Opera House’s Arts in the Community Grants Program, made possible by the NYS Senate with support of the Office of the Governor, and administered by the New York State Council on the Arts. It is also sponsored by the OVF&HA and member Paul Haegerty.

The second program will be held in the North Pitcher Church on State Hwy 26 on August 3 beginning at 1pm. Special guest, Mr. David Moyer will give a presentation on the Paleo- Indians in Chenango County. Mr. Moyer is President of the Chenango County Chapter of the New York State Archaeological Society, and owner and President of Birchwood Archaeological Services, which specializes in archaeological support and research, catering to clients interested in the field of archaeology.

The third program will take place on Sunday, August 24th at the Georgetown Fireman’s Field, featuring songs by guitarist Zach Rowland, a graduate of the Otselic Valley Central School. He has performed throughout the area asa guitarist and singer.

The fourth program is “Liberty Has a Country: An Embracive View of the American Revolutionary War”: For the fourth year in a row, the Follett Foundation has sponsored the OVF&HA Reading Series. This summer and fall we will be studying three books that offer a comprehensive view of the American Revolutionary War— “Forgotten Allies: The Oneida Indians and the American Revolution,” “Memoir of a Revolutionary Soldier: The Narrative of Joseph Plumb Martin,” and “The Frozen River.” Join us for a series of presentations and book discussions that will conclude with a guided tour of the Shako:wi Cultural Center of the Oneida Indian Nation and other historic sites in the Upper Mohawk Valley. To reserve your books, contact Michael Foor-Pessin at foorpeessin@gmail.com. Specific dates, times and locations for these sessions will be coming soon.

ChenTAC Chenango Threat Advisory Committee WHO WE ARE

The formation of ChenTAC was established due to the ever-changing risks of targeted violence and mass shootings that society faces today. ChenTAC takes effective proactive and protective measures that are designed to prevent, not predict, potential acts of targeted violence and terrorism. Through identifying and managing potential threats, ChenTAC provides alternatives to investigation and /or prosecution for bystanders who are actively seeking intervention assistance with a known individual at risk of mobilizing to violence.

With the support of the Chenango County Sheriff’s Office, ChenTAC is a multidisciplinary team comprised of businesses, schools and colleges, social service agencies, mental health professionals, faith based organizations, community resources and local and state law enforcement. Collectively, we convene as a confidential group to identify, assess and manage potential threats of targeted violence.

IMPORTANT DEFINITION

Targeted Violence is premeditated violence and is usually directed at a specific individual, group, or location. A perpetrator of targeted violence is typically responding to a perceived grievance or acting on behalf of a particular ideology. Targeted Violence is different from impulsive, reactive, or emotional acts of violence. Some examples of targeted violence are school shootings, workplace violence, domestic violence, stalking, and terroristic attacks.

WHEN TO CONTACT ChenTAC

If you become aware of someone exhibiting concerning behaviors, or threatening a person, group or entity, ChenTAC is available to help. Contact our report line at (607) 334-2000 or go to www.chenangocountyny.gov/271/ Sheriffs-Office and find the Submit A Crime tip button. If you have concerns of imminent danger, call 911 immediately.

See Something, Say Something YOUR ROLE IS IMPORTANT

ChenTAC is relying on you, our biggest asset, to help identify potential threats. Without participation from members of the public, we can not identify ways to assist those who need us or protect our community.
